PAVING SQUAD

About Us

Established in 2023 and privately owned by a black entrepreneur Paving Squad (Pty) Ltd intends to develop itself to perform alongside the most successful and competent paving, construction and maintenance service companies in South Africa. As we strive for growth, we are certain to uphold our highest standards of ethics, quality, and integrity.

Our staff are our greatest resource and our youthful dynamic management team provides a ‘hands on approach’ to all projects. Teamwork lies at the heart of our culture. We work together with our customers, professional teams and our suppliers to develop innovative and value adding solutions for our clients. Relationships is the key to our success and will be more important than ever in the future.

Proactive rather than reactive, we are at the forefront of new specialties and advantageous alliances. We are here to enhance people's lifestyle and the economy through our services. Our services are distinctive because they are continuous. The level of service and anticipation of market trends are what shape us. Why? Because we are dedicated to making sure our clients are satisfied no matter how large or small the project is. We also focus on what society really needs and hence pay special attention to the environment and communities we work in.

PAVING SQUAD

Mission , Vision and Values

Mission: We committed to providing the highest level of paving, construction and building maintenance services in the South Africa. We will ensure the longevity of our company through repeat and referral business achieved by customer satisfaction by exceeding their expectations on every project we work on. We will, at all times, maintain the highest levels of professionalism, integrity and workmanship in all aspects of our work. Our commitment to this mission will allow us to become the leading Construction and Building Maintenance firm in South Africa.

Our vision: is to be the most innovative and leading paving, construction and maintenance company, where building the future together makes a real difference to people's lives.

We believe our heritage underpins our success. The foundations of our extensive knowledge, experience and expertise supports us to remain reliable, focused and capable

Integrity: We believe our commitment to conducting business with honesty, respect, responsibility, and transparency lies within the foundations of our company and our employees. This results in a family-orientated business we can be proud of with our full commitment to do what is best for our customers and workforce.

Excellence and Quality: We strive to be the best and deliver the best, but never compromise on quality. Our culture and mindset are not just about the big plans, but about consistently doing the small detailed things right to achieve excellence.

Imagination Drives Innovation: We believe imagination drives innovation and what lies at the heart and culture of our business. Innovation is more than simply continuously generating new ideas, it is about forward thinking, creativity, ambition, embracing positive change to push boundaries and to provide new opportunities to maintain our competitive edge against our competitors. Therefore, it is in our processes, how we think, communicate, and engage with our clients and customers.

Working Together: We believe in our dedicated workforce where personal qualities of passion, enthusiasm and excellent work ethic can be found. This gives us the power to successfully problem solve and deliver outstanding, innovative solutions.

PAVING SQUAD

Paving Services

Paving is part of our everyday lives and no matter where we go it is all around us. Paving creates surfaces for us to walk on, drive on, and sometimes to show the way. It is used in parking areas at airports, take away restaurants, drive through, sidewalks and even at certain traffic junctions. We fit and supply all types of residential and industrial paving by using SABS approved paving bricks.
